CALL FOR PAPERS

IEEE MetroLivEnv 2023 Program Committee solicits proposals for special sessions within the technical scopes of the Workshop.

Special sessions have the main aim of creating a mini-workshop on a specific topic, where researchers working on the same argument can make knowledge, familiarize, exchange ideas, create cooperation.

The participation of speakers from industry in a special session proposal is encouraged and will be positively evaluated when the proposal is assessed.

All papers will be subject to the same peer review process as for regular papers.

PROPOSAL SUBMISSION

Researchers interested in organizing special sessions are invited to submit a proposal through the form available at the following URL

<https://metrolivenv.org/special-session-proposal>

Proposals should include the session title, a brief description of the scope and motivation, related topics, biographic and contact information of the organizers.

Papers submitted for special sessions are to be peer-reviewed with the same criteria used for the regular sessions.
